## ABOUT TELENTFEST

With 8 years of experience, Telentfest is a platform celebrating individual talents and skills. Our mission is to empower people to discover and showcase their unique abilities. The event, active for 8 years, covers diverse activities, supporting dreams in dancing, singing, sports, and games. Operating on a voluntary basis, Talent within You collaborates globally to amplify our impact, recording volunteer hours on annual certificates. Telentfest stands as a catalyst for innovation, providing resources and guidance for students to fulfill their creative ideas and dreams. Join us in this journey of self-discovery and talent celebration!

## OUR MISSION

Transforming negativity into positivity, we empower individuals to go from ordinary to extraordinary. We support talented youth through programs in performing and visual arts, providing a competitive platform for their talents. Additionally, we offer counseling, coaching, and resources to help individuals achieve their life goals.

## OUR VISION

Our vision is to be a top-tier organization fostering global youth development in performing and visual arts. We're dedicated to supporting dreams, igniting passion, and building confidence for limitless possibilities.

## OUR GOALS

Unleashing creativity, fostering innovation, and celebrating diversity – these are our goals for an unforgettable talent fest.
